**SECULAR FAMILY
CELEBRATION OF PASSOVER**

With music and poetry performed by Sholem students, the Sholem Community's Passover observance is imbued with inspirational values of social justice and freedom.

Sholem's cultural celebration of Passover acknowledges its roots as a spring festival and pays tribute to the Exodus saga as a powerful symbol of liberty. With communal readings and music, the family program weaves tradition with a progressive, humanist interpretation of an ancient festival that teaches the value of freedom for all humanity.

The Sholem's Passover program is affordable. The meal is potluck. Main dish provided; see other side for details of what to bring.
